六、阅读理解。（圈画留痕）

Living near a beach, Daniel likes the sea very much. He loves underwater diving. He also loves taking pictures. He is an underwater photo taker. He goes all over the world and takes photos of life in the sea. What gives him the courage to dive into sometimes-dangerous water? "Diving is hard. But I want to show the world beautiful fish and animals in the sea." He thinks his work will let kids learn more about the sea. Daniel usually enjoys diving into the sea and swimming with great white sharks. But this time, he only takes photos from the boat. "They are hungry and on the hunt," he says. "I need to respect the sharks' comfort zone."
